Heartland Dental Coming to Romeoville Crossings

Heartland Dental has submitted concept plans for a 5,600 square foot facility that would include a 3,200 square foot dental office and a 2,400 square foot space for a restaurant in Romeoville Crossings.

This site is currently vacant and located just South of the Sam's Club fueling station.

"This is a great addition to this area. We look forward to Heartland Dental joining our business community," said Mayor John Noak.
