**Ribbon Cutting to be Held at Integrity Manufacturing**

Another week, another ribbon cutting. This time, Integrity Manufacturing is the center of attention. Stop by on Tuesday, September 25 at 3 p.m. for the ceremony, followed by coffee and donuts. This female owned business specializes in American made precision metal stamping and complex assemblies. They provide turn-key service by managing projects from beginning to end.

“The leadership team at Integrity all worked together at another company. One day, they decided to band together and form their own company. That right there is the American dream,” said Mayor John Noak.

Integrity Manufacturing is located at 1351 Enterprise Drive and can be reached at (847) 348-8512 or [integritymfginc.com](http://integritymfginc.com).
