Romeoville to Welcome Quality Craft with Ribbon Cutting

On Thursday, October 24th at 1:00 p.m., village officials will gather at 1415 Enterprise Drive to welcome Quality Craft LTD to Romeoville with a ribbon cutting ceremony. Quality Craft houses three brands: Admira (flooring and wall products), Blue Sky Outdoor Living (fire pits and fire rings), and Montezuma (tool and garage storage solutions).

The logo for QualityCraft features the word "Quality" in a bold, orange, sans-serif font, followed by the word "Craft" in a bold, red, sans-serif font.

The Canadian based company will be relocating its U.S. Support Center to Romeoville from Springfield, Missouri. Besides housing customer service, the new location will be a distribution center for the online products and house a product development lab.

“Once again, we see e-commerce acting as a business driver,” said Mayor John Noak. “Quality Craft saw the advantages Romeoville could provide their business and we are happy to have them here in town.”

Appetizers and a food truck will be on site to celebrate the occasion and the public is welcome to attend. You can learn more about Quality Craft by visiting their website at qualitycraft.com.
