About Scene75 Entertainment Centers

Scene75 Entertainment is a family owned and locally operated, international award-winning brand with 4 venues across Ohio. Nationally recognized as leaders in the family entertainment industry, Scene75 was named the top family entertainment center in 2016 (IAPAA). Additional accolades have included being named the Best Birthday Party Location and Best Place for a Family Fun Day (Cincy Magazine 2021), the Business of the Year (Vandalia Butler Chamber of Commerce 2018), the Best Indoor Entertainment Center (Cleveland Magazine, 2017), The Best Entertainment Center in Ohio (Ohio Magazine 2014) and many more.

Les and Jonah Sandler, a father/son duo, founded the company in 2012 with the belief that an entertainment center should do more than entertain, it should serve the community. As such, they and their teams spend countless hours identifying ways to give back to the communities that support them. Such efforts include free public events like an annual HalloScene indoor trick-or-treat, special needs programming where twice a year guests with special needs can enjoy the venue free of charge, learn to earn opportunities to help incentivize local students in the classroom, Breakfast with Santa where families can enjoy a low cost breakfast complete with holiday cheer, speed dating events to help communities in their quest for love, and more.
