**One of the Largest National Distributors of
Premium Wines and Spirits to Open in Romeoville**

Republic National Distributing Company (RNDC), one of the largest national distributors of premium wines and spirits in the country, will soon be calling Romeoville home. They'll also be bringing nearly 60 jobs to the community.

The 351,000 square foot space they will be leasing was designed to be energy efficient, with elements including LED lights with motion sensors, Dark-Sky compliant exterior lighting, R-30 roof insulation, and more. The building near the intersection of Route 53 and Joliet Road will be RNDC's first Chicagoland facility.

"We are happy to welcome RNDC to Romeoville and are excited for the new employment opportunities they are bringing for our residents," stated Mayor John Noak. "It is refreshing to see RNDC not only embrace, but take pride in, the latest energy efficiencies the building is outfitted with."

The facility is expected to be open by the end of February with delivery operations to begin in April.
