WHERE WE ARE

• Centrally located 26 miles southwest of Chicago.

• Easy access to I-55, I-355, Route 53 and the Weber Corridor.

• Close proximity to Multi-Modal transportation
  • Airports
  • Rail
  • Intermodal
The Village of Romeoville continues to embrace the importance of community. We feel that our current branding, “Where Community Matters”, adequately reflects the past and present partnerships that the Village has with its citizens, businesses and schools. By focusing our uniqueness as a “Community of Partners”, we further define the essence of what Romeoville exemplifies.

We will demonstrate how we stay committed to our partnerships by keeping our values simple by caring for our fellow neighbors, assisting our businesses and providing quality services. We take pride in our partnerships and deliver on our promises.

Along the I-55 Corridor, Romeoville’s location continues to be attractive for local development. What is even more attractive, is Romeoville’s ongoing commitment to improve existing routes and secure additional modes of transportation for residents and businesses.

**HIGHLY ACCESSIBLE LOCATION**
HIGHLY ACCESSIBLE LOCATION

• The Metra Station, coming in 2016, will be located on 135th St. with a parking lot for 600 vehicles.

• Lewis University Airport, publicly owned and operated, is located within the Village limits. This modern Chicago reliever airport provides facilities up to a Boeing Business Class aircraft.

• Immediate access to I-55, I-355 and Route 53.

• I-55/Airport Road – The Villages of Romeoville, Bolingbrook and Plainfield, along with IDOT, are in the process of a Phase 1 Study and Planning process in conjunction with the Federal Highway Administration (FHWA) for an Interchange at I-55 & Airport Road. The Study Area will include 3.5 miles of I-55 from one-half mile south of Airport Road to one mile north of IL Rte. 126. The study limits for IL 126 include 2,700 feet of IL 126 to the southwest of I-55, 4,500 feet of 135th Street east and west of Essington Road, and 3,500 feet of Essington Road north of IL 126. The Airport Road/Lockport Road Study Area includes the span over I-55 and the frontage roads.
I-55/Weber - The Illinois Department of Transportation in conjunction with the Will County Department of Highways, the Village of Romeoville, and the Village of Bolingbrook have been diligently working on a new interchange at Weber Road on I-55. The new configuration will be a divergent diamond interchange and is estimated at $69.2 million. The improvement of this interchange is one of Will County's highest priority highway projects. Construction is anticipated for Fall 2015.
QUALITY WORKFORCE

EDUCATION/WORKFORCE:
Local colleges and technical schools continue to support regional and local efforts to diversify and strengthen the area economy. Colleges provide a valuable tool with long term benefits to local companies. Businesses benefit from a skilled and productive workforce, adding to the economic strength of the community.

Post Secondary Schools:
• Lewis University, Rasmussen College and Joliet Junior College
  • Princeton Review Recognizes Lewis as a Best in the Midwest.
  • Lewis University has been nationally recognized by Colleges of Distinction for the fifth consecutive year as a 2014-2015 College of Distinction. Lewis also has earned recognition as an Illinois College of Distinction and a Catholic College of Distinction.
  • Named a Top 5 Best Private College Value in the Midwest.

Technical Schools:
• Illinois Welding School, Genesis Healthcare Institute and Wilco Career Center
Over the past 10 years the Village has made a significant investment ($83M) in its public infrastructure. Following is a list of some of the recent projects that have been completed to assist existing and future development:

- Wastewater Treatment Plant Consolidation and Expansion (6.0 MGD to 7.5 MGD) $30M
- Water System Improvements - $25M
- Sanitary and Sewer Lining and inflow/Infiltration Reduction Program - $10M
- Uptown Square Infrastructure Replacement - $3M
- IL 53 Widening / Resurfacing - $5M
- Veteran’s Parkway / Normantown Road Realignment - $8M
- Stormwater Management Improvements - $2M
