

Neighbor to Neighbor Volunteer Application

The Village of Romeoville's Neighbors Helping Neighbors program provides assistance to residents of the community with the help of volunteers. Throughout the year, we receive several calls from our residents who need help mowing their lawn, shoveling their driveway or completing minor home repairs. Many individuals in our community, especially the elderly or physically challenged, cannot meet these basic needs without some help.

We are looking for volunteers, like you, who have the time to help someone else maintain their independence. Whether you have a few hours a month or a few hours a week, your help is needed. Volunteers must be of High School age or older.

Please complete the following application to volunteer to assist residents through the Neighbors Helping Neighbors program. Return the completed application to Dawn Caldwell at Village Hall, or email it to dcaldwell@romeoville.org
