

# Safety Tips

Never play with fire, it is not a game.

Stay away from matches and lighters. If you find any bring them to an adult right away.

Do not go near the stove when a grown up is cooking.

Never put anything in electrical outlets or sockets.

Remember when your clothes are on fire STOP, DROP, AND ROLL.

Practice your home escape plans regularly.

Always pick up your toys so they do not crowd the ways out of your home.

Always have two ways out of your home.

In case of a fire, crawl low and fast under smoke.

DO NOT hide from firefighters.

Once you get out of your home, stay out!

DO NOT be afraid

to call 9-1-1.
