Road Closures Due to Gas Leak Repairs

At approximately 1:00 this afternoon, the Romeoville Police Department was notified of a gas main leak at the corner of Fenton and Arlington. NICOR officials are currently on the scene repairing the leak. No injuries have been reported and there were no homes evacuated. Arlington Drive has been closed between Glen and Everette due to the repairs. NICOR Representatives have tested the homes in the immediate vicinity and found no detection of gas. In addition, no detection of gas has been found in the storm sewers. Romeoville Police Department officials remain on site to monitor the repairs. At this time, the cause has not been identified.
