Romeoville Smiles Dentistry Celebrates Ribbon Cutting

Romeoville Smiles Dentistry was officially welcomed to the village on Wednesday, January 31st with a ribbon cutting ceremony. Located just South of the Weber Road and Airport Road intersection, Romeoville Smiles moved into a brand new building just in front of Walmart.

"We always like bringing new business to Romeoville," said Mayor John Noak. "It's even better when that business provides a service that keeps our residents healthy and smiling."

Romeoville Smiles Dentistry is open Monday - Saturday and practices general, cosmetic, and restorative dentistry. They even offer comfort dentistry for those patients who experience anxiety over going to the dentist. You can visit them online at www.romeovillesmilesdentistry.com.
