EZ Mail Opens in Romeoville

EZ Mail was officially welcomed to Romeoville yesterday with a ribbon cutting ceremony. Attendees ranging from elected officials to fellow business owners gathered just off of Route 53, down the road from White Fence Farm.

“Despite the prevalence of email in today’s business environment, traditional mail is still instrumental,” said Mayor John Noak. “Invoicing, company information, and product all go out via mail. EZ Mail can help keep the process simple.”

EZ Mail offers a multitude mailing solutions, from postage machines and scales to address printers, paper folders, and software. They also offer the supplies to keep those solutions stocked and running. You can visit them online at ezmailco.com.
