New Office Space Coming to Romeoville

Ground was recently broken on the third building in the Offices at Windham Lakes (OWL) development. It was an unseasonably cold and windy day, but a little cold can't stop progress.

"This new building will attract even more jobs to Romeoville," explained Mayor John Noak. "More employees in Romeoville means more customers for the restaurants, shops, and gas stations in Romeoville. It's a great situation for everyone."

The single story, 43,000 square foot office building is being constructed on the vacant property near the intersection of Weber Rd. and Windham Pkwy.
