### Romeoville Enters into Animal Removal Agreements

Due to the number of complaints for dead or sick wild animals, such as skunks and raccoons, the Village Board has approved agreements with T&C Trapping and Will County Animal Control.

The first agreement is a revised contract with T&C Trapping, who already handles the capture of wild animals in the village. T&C will also be handling the pickup of dead animals for a rate of \$125 Monday - Saturday and \$200 for Sunday. The village will cover \$50 of that fee with the resident being responsible for the remainder.

The second agreement will be with Will County Animal Control to pick up sick or injured animals posing a threat to public health or safety. The fees range from \$100 - \$250, depending on when the call is made (weekend, after hours, etc.). Residents will not pay for this service. The village will cover the full cost.

"We understand that from time to time animals can be nuisances. We are striving to offer our residents options during these instances," stated Mayor John Noak.

T&C Trapping can be reached at 815-467-4039. If you have a sick or injured animal on your property, call the Romeoville Police Department at 815-886-7219, who will then reach out to Will County.
