Village of Romeoville Provides Grant to Chamber of Commerce

The Romeoville Area Chamber of Commerce will receive a \$40,000 grant from the Village of Romeoville in recognition of their continued growth as an organization and importance to the business community.

"The chamber has been a great partner in providing services and events to our businesses and residents," explained Mayor John Noak.

"During this challenging time for the economy, the chamber will be as important as ever as a resource."

The Romeoville Area Chamber of Commerce is involved in community events like Halloween Fest and the Mardi Gras Crawl while also hosting monthly business lunches, after hours networking events, and a summer golf outing. You can visit their website at romeovillechamber.org to learn more.
