Romeoville to Host Three Simultaneous Fireworks Shows on July 3

The Village will be celebrating Independence Day on July 3 with three fireworks shows. To allow residents to view these from their homes, fireworks will be shot off in three separate locations starting at 9:30 pm, effectively tripling the number of pyrotechnics that are usually displayed.

"We continue to be innovative with programs and events," stated Mayor John Noak "By spacing out three shows around the community, we hope that everyone can remain home and still see a great display."

The shows will be based from Volunteer Park (1100 Murphy Dr.), Lukancic Middle School (725 Normantown Rd.), and Discovery Park (300 S. Highpoint Dr.). The parking lots at these facilities will be closed on July 3rd. Due to liability and distancing required for fireworks, residents are strongly encouraged to view the fireworks from home as attendance at any of the three sites will be restricted.
