GEODIS Cuts Ribbon on Fourth Building in Romeoville

Earlier this morning, Village officials and GEODIS representatives cut the ribbon at 901 Bluff Road, officially opening GEODIS' fourth building in Romeoville. The logistic and supply chain company also has buildings at 99 North Pinnacle Drive, 790 Taylor Road, and 1101 West Taylor Road.

"GEODIS has been a tremendous partner of ours," explained Mayor Noak. "We have a great working relationship and are thrilled to help them open their latest Romeoville location."

Originally founded in France in 1904, today GEODIS has a global reach in more than 60 countries and a global network stretching to 168.
