Romeoville Recreation Employee Recognized with Advertising Award

Alex Vasiliades, the Marketing Coordinator for the Romeoville Recreation Department, took third place in the Paid Advertisement division at the Illinois Park and Recreation Association's Agency Showcase event this past week. The professionally judged competition recognizes Illinois agencies for their marketing and communication efforts ranging from print to multimedia.

"We love the creativity and eye catching designs Alex brings to our publications," said Kelly Rajzer, Director of Parks and Recreation. "It is great to see him be recognized for his work. We're all very proud of him"

You may have seen the award winning ad in the Bugle during May of 2021. It encouraged readers to sign up their kids for the Fun in the Sun Day Camp taking place that summer. To see more of Alex's excellent work, be sure to flip through the Parks & Recreation seasonal activity brochures. You may even find a class or activity you want to participate in!
