Fire on 700 Block of Hudson Avenue

At approximately 1:07 pm on Thursday, January 23, the Romeoville Fire Department was called to a home on the 700 block of Hudson Avenue due to a structure fire. Arriving fire crews were faced with heavy smoke and fire conditions. There were no injuries to the residents, but damage to the home was severe enough that the occupants will be displaced. The cause of the fire is being investigated by the Romeoville Fire Department and the MABAS Division 15 Fire Investigation Team.
