Jefferson Starship to Headline Saturday of RomeoFest

The Village of Romeoville is pleased to welcome Jefferson Starship as the headline performer for RomeoFest on Saturday, August 8, 2026. One of the most enduring and successful arena rock bands of the 1970s and 1980s, Jefferson Starship continues to tour more than 50 years after its founding, a rare achievement in rock history. Their Runaway Again Tour will feature chart-topping hits such as “Jane,” “We Built This City,” “Find Your Way Back,” and “Nothing’s Gonna Stop Us Now,” alongside classic Jefferson Airplane staples including “White Rabbit” and “Somebody to Love.”

“We’re honored to have such a legendary band like Jefferson Starship perform in Romeoville,” said Mayor John Noak. “RomeoFest is one of the biggest events of the year and the addition of Jefferson Starship to the music lineup only enhances that.”

RomeoFest, Romeoville’s four-day summer festival, will take place Thursday, August 6 through Sunday, August 9, 2026. The fest features carnival rides, food vendors, activities, fireworks, a car show, and live music. The Jefferson Starship set, just like every performance at RomeoFest, is free to attend and will not require tickets. Capacity limits at the Romeoville Toyota Pavilion may come into play, so be sure to arrive early.
