April 12, 2021

**Romeoville.org Account Needed to Sign up for COVID-19 Vaccination**

3,000 Romeoville residents will be able to sign up for a COVID-19 vaccination to be administered on April 26, 27, and 28 at the Romeoville Recreation Center. To sign up, go to [romeoville.org](http://romeoville.org) starting on Wednesday, April 14 at 9:00 a.m.

Any resident who wants to sign up will need a [romeoville.org](http://romeoville.org) account. If you do not have an account, we recommend signing up for one prior to vaccine registration opening. Already having an account will expedite your vaccine registration process. Please note that a [romeoville.org](http://romeoville.org) account is different than a WebTrac login used to sign up for activities at the Recreation Center.

To sign up for a free [romeoville.org](http://romeoville.org) account, head to [romeoville.org](http://romeoville.org) and, in the upper left-hand corner of the screen, click on "Create an Account." Have your username and password ready for Wednesday's vaccination registration.
