SECTION 6.3-For redevelopment projects beginning in or after FY 2022, complete the following information about increment projected to be created and actual increment created.

| Project Name | The amount of increment projected to be created at the time of approval of the redevelopment agreement. | The amount of increment created as a result of the development to date, for the reporting period, using the same assumptions as was used for the projections used at the time of the approval of the redevelopment agreement. |
|--------------|---------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|              |                                                                                                         |                                                                                                                                                                                                                               |
|              |                                                                                                         |                                                                                                                                                                                                                               |
|              |                                                                                                         |                                                                                                                                                                                                                               |
|              |                                                                                                         |                                                                                                                                                                                                                               |
|              |                                                                                                         |                                                                                                                                                                                                                               |
|              |                                                                                                         |                                                                                                                                                                                                                               |

SECTION 6.4-For redevelopment projects beginning in or after FY 2022, provide the stated rate of return identified by the developer to the municipality and verified by an independent third party, IF ANY:

| Project Name | Stated Rate of Return |
|--------------|-----------------------|
|              |                       |
|              |                       |
|              |                       |
|              |                       |

**SECTION 7** [Information in the following section is not required by law, but may be helpful in evaluating the performance of TIF in Illinois.]

**FY 2024**

**Name of Redevelopment Project Area:**

**Romeoville Downtown TIF**

**Provide a general description of the redevelopment project area using only major boundaries.**

The Downtown Area TIF is irregularly shaped and generally includes the traditional downtown of the Village (generally bounded by: Normantown Road on the north, Illinois route 53 on the east, Alexander Circle on the south and the southerly extensions of Schmidt and Geneva Avenues on the west); an industrial area generally bounded by Devonwood and Greenwood Avenues on the north, Route 53 on the west, the Romeoville Prairie Preserve on the east, and the southern frontage of the easterly extension of Montrose Drive on the south; an open space and natural area along and directly west of the Des Plaines River from the easterly extension of Normantown Road on the north to Romeo Road on the south; the eastern frontage of Route 53 from Ridgewood Avenue on the north to just south of Montrose Drive; the Village municipal complex; the western frontage of Route 53 from the municipal complex on the north to McCool Avenue on the south; and the southern frontage of Romeo Road from the western property line of parcel 04-04-210-022 to the eastern property line of parcel 04-03-102-003 on the east.

| Optional Documents                              | Enclosed |
|-------------------------------------------------|----------|
| Legal description of redevelopment project area | X        |
| Map of District                                 | X        |

## FY 2024

**Name of Redevelopment Project Area:**

## **Romeoville Downtown TIF**

**Provide the base EAV (at the time of designation) and the EAV for the year reported for the redevelopment project area.**

| Year of Designation | Base EAV      | Reporting Fiscal Year EAV |
|---------------------|---------------|---------------------------|
| 2005                | \$ 11,439,526 | \$20,725,253              |

List all overlapping tax districts in the redevelopment project area. If overlapping taxing district received a surplus, list the surplus.

X Indicate an 'X' if the overlapping taxing districts did not receive a surplus.

[illegible]

## II. LEGAL DESCRIPTION

The boundaries of the Project Area have been carefully drawn to include only those contiguous parcels of real property and improvements substantially benefited by the proposed Redevelopment Project to be undertaken as part of this Redevelopment Plan. The boundaries are shown in Figure 1, *Project Area Boundary*, and are generally described below:

The Project Area is irregularly shaped and generally includes: (i) the traditional downtown of the Village (generally bounded by: Normantown Road on the north, IL Route 53 on the east, Alexander Circle on the south and the southerly extensions of Schmidt and Geneva Avenues on the west); (ii) an industrial area generally bounded by Devonwood and Greenwood Avenues on the north, Route 53 on the west, the Romeoville Prairie Preserve on the east, and the southern frontage of the easterly extension of Montrose Drive on the south; (iii) an open space and natural area along and directly west of the Des Plaines River from the easterly extension of Normantown Road on the north to Romeo Road on the south; (iv) the eastern frontage of IL Route 53 from Ridgewood Avenue on the north to just south of Montrose Drive; (v) the Village municipal complex; (vi) the western frontage of Route 53 from the municipal complex on the north to McCool Avenue on the south; and (vii) the southern frontage of Romeo Road from the western property line of parcel 04-04-210-022 to the eastern property line of parcel 04-03-102-003 on the east.

The legal description of the Project Area boundary is attached to this Redevelopment Plan as Exhibit I.

Re: Downtown Redevelopment Project Area

Dear Ms. Jacobson:

We, the undersigned, do hereby certify that we are the Village Attorneys for the Village of Romeoville, Will County, Illinois (the "Village"). We have reviewed all the information provided to us by appropriate Village officials, staff, and consultants and to the best of our knowledge and belief, further certify that the Village has conformed for the fiscal year ended April 30, 2024, with all of the requirements of the Tax Increment Allocation Redevelopment Act, as amended, Division 74.4 of Article 11 of the Illinois Municipal Code (65 ILCS 5/11-74.4-1 through 11-74.4-11) as of the date hereof for that certain redevelopment project area known as the Downtown Redevelopment Project Area (the "Project").

In rendering this certification, we have relied upon certifications of the Village with respect to certain material facts solely within the Village's knowledge relating to the Project. Compliance requirements, if any, brought to the attention of the undersigned have been addressed as of the date of this certification.

## **Attachment D**

### **STATEMENT OF ACTIVITIES FY 23-24**

#### **Project 1 - TIF FORMULATION/ENGINEERING/ADMINISTRATION**

The TIF Financial Compliance Report and audit for the prior year was completed.

#### **Project 3- School District 365U Agreement**

In FY21-22, the Village expensed \$250,000 to Valley View School District as reimbursement for TIF eligible expenses incurred on the transportation center parking lot.

#### **Project 5- PROPERTY ASSEMBLY**

In FY21-22, the Village purchased land at 341-343 Independence Road for a cost \$369,376. The property will be used to enhance retail development in the downtown TIF.

#### **Project 8 - EDWARD ATHLETIC AND EVENT CENTER/DOWNTOWN SITE REDEVELOPMENT**

The Village worked with Harbor Construction to construct the Romeoville Athletic and Event Center to develop the downtown area. The Village entered into agreements for Harbor to act as the General Contractor for the Athletic and Event Center, Downtown Public Infrastructure and Road Improvements and Master Developer for the Downtown Area. The Village approved a GMAX contract for the Athletic and Event Center and finalized the GMAX contract for the public improvements in FY 14-15. The Athletic and Event Center fully opened in April of 2014 and hosts numerous annual events and tournaments. In FY19-20, the Village spent \$982,483 to plan for the renovation and expansion of the current Athletic and Event Center and the construction of an Aquatic Center and Splash pad. In 20-21, the Village began construction of a 23,200 square foot athletic center expansion on the land south of the Edward Hospital Athletic & Event Center. During FY20-21, \$6,547,787 was used toward the design and construction of the Athletic Center expansion. The expansion of the athletic center will allow the Village to keep up with the increasing demand for tournament and event space, in addition to providing long sought-after community amenities. The project will add an NBA style center wood court with bleacher seating for 227 spectators. The courts can also be reconfigured as two additional basketball courts or 4 cross-courts. The addition will have a separate lobby, restrooms and storage space. The expansion also includes reconfiguration, remodeling, upgrades and refreshing of the current space. In 21-22 \$2,900,373 was used to finish the expansion project.

#### **Project 23 – Downtown Retail Center**

In FY22-23 \$87,000 was paid to Sammys LLC to reimburse for development related expenses related to the construction of a downtown retail facility. Project costs reimbursed in 23-24 totaled \$113,000.

## **Project 24 - DEBT ISSUANCE**

During the fiscal year ending 21-22, the Village issued General Obligation Bonds 2021A for \$1,985,000 to be used to refund the Series 2013B outstanding GO Bonds which resulted in a net savings of \$216,000. Payments of \$5,178,697 were made in fiscal year 2021-2022 toward outstanding principal and interest and servicing costs and for the refunding of Series 2013 bonds. The Village issued, in FY 19-20, \$20,250,000 million in General Obligation TIF backed taxable bonds. The bonds will be used to expand the Athletic Center and construct the Aquatic Center and Splash Pad. The bonds are similar to those used to originally construct the Athletic and Event Center. Downtown TIF funds will be used to pay the debt service on the bonds. The bonds have a 20-year life. Interest costs are 7,327,800. Cost of issuance was \$250,000. The Village received \$202,700 in bond premiums. In October 2021 (Series 2021A), a portion of the Series 2013B bonds were refinanced, saving approximately \$216,600 in future debt service costs. In FY22-23 \$2,932,763 was used to pay for annual bond and interest payments. In FY23-24, \$2,917,758 was used to pay Series 2013A, Series 2019B and Series 2021A principal, interest and paying agent fees.

## **Project 28 – Sonic Restaurant Incentive**

\$75,000 was used for the redevelopment of the former Checkers location on Route 53/Independence Boulevard into a Sonic branded location. The agreement provides for an incentive to the developer of \$75,000 in TIF funds in two installments, the first being due once the location opens for business, and the second due six months thereafter. The reimbursement is only payable to reimburse otherwise TIF eligible redevelopment costs incurred on the project.

## **Project 29 – Aquatic Center**

The Village of Romeoville constructed a new free-standing indoor Aquatics facility located to the west of the existing Athletic and Event Center building. The facility is approximately 21,300 gross square feet. The main spaces include indoor aquatics space, men's and women's locker rooms, family changing rooms, a dedicated space for vending, and party rooms with direct access to the pool deck. Indoor features on the plan include a water slide, a current channel, an interactive play area, wellness 3 lane lap pool area with a zero-depth entry. The filtration room will be appropriately sized to serve both the indoor aquatics functions as well as an adjacent exterior splash pad. The facility will contain family changing rooms that are accessed only from the exterior and are intended to serve the adjacent splash pad. The splash pad would feature a shelter, picnic tables, and shade sails. This will be the first indoor pool and the third and largest splash pad for the Village. Construction began in 21-22, in FY22-23 \$9,564,731 was used for construction of the facility. \$15,723,722 has been spent to date. Final payments of \$1,681,219 were issued in FY23-24.

## **Project 30-Starbucks**

In FY22-23, \$150,000 was used for development expenses for a second Starbuck's location in Romeoville.

## **INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION**

The Honorable Village President  
and Members of the Board of Trustees  
Village of Romeoville, Illinois

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Village of Romeoville, Illinois (the Village) as of and for the year ended April 30, 2024, which collectively comprise the basic financial statements of the Village and have issued our report thereon dated October 15, 2024, which expressed an unmodified opinion on those statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village's basic financial statements. The supplementary financial information (balance sheet and schedule of revenues, expenditures, and changes in fund balance) is presented for the purpose of additional analysis and is not a required part of the basic financial statements. The supplementary financial information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

## **INDEPENDENT ACCOUNTANT'S REPORT ON MANAGEMENT'S ASSERTION OF COMPLIANCE**

The Honorable Village President  
and Members of the Board of Trustees  
Village of Romeoville, Illinois

We have examined management's assertion that the Village of Romeoville, Illinois (the Village), complied with the provisions of subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142) during the year ended April 30, 2024. Management is responsible for the Village's assertion. Our responsibility is to express an opinion on management's assertion about the Village's compliance with the specific requirements based on our examination.

Our examination was made in accordance with the standards established by the American Institute of Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the specified requirements is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about whether management's assertion is fairly stated, in all material respects. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Village's compliance with the specified requirements.

In our opinion, management's assertion that the Village of Romeoville, Illinois, complied with the aforementioned requirements for the year ended April 30, 2024, is fairly stated in all material respects.

This report is intended solely for the information and use of the Board of Trustees, management and the Illinois Department of Revenue, Illinois State Comptrollers office and the Joint Review Board and should not be used by anyone other than these specified parties.
