Permit & Inspection Requirements		Office Use
<i>Please read the requirements and place a ✓ in the column to the left to confirm that you understand and agree.</i>		
<input type="checkbox"/>	The Building Permit must be posted in the building's window where it can be seen from the street.	
<input type="checkbox"/>	Each phase of construction must be inspected and approved by the Village of Romeoville prior to proceeding to the next stage of construction.	
<input type="checkbox"/>	• All inspections must be scheduled 48 hours in advance by calling (815)886-7200 or by emailing buildinginspections@romeoville.org . Your permit number must be provided when inspections are scheduled.	
<input type="checkbox"/>	• Failure to call for required inspections may result in a "Stop Work Order".	
<input type="checkbox"/>	• Should you fail an inspection, a re-inspection fee must be paid before continuing work and before scheduling another inspection.	
<input type="checkbox"/>	The project (build out) shall start within ninety (90) days from the date the permit is issued and completed within one hundred and eighty (180) days. For a new building, the project shall be completed within three hundred and sixty five (365) days.	

I hereby declare that I have read and understood this application. The above information and any attachments are correct. I agree, that in consideration of and upon issuance of a building or use permit, that I am allowed to do such work as herewith applied for, and that such premises shall be used only for such purposes as set forth above.

I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in this application is issued, I certify that the code official or the code official's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
