21	Being in the Plainfield Twnship portion I would love to see programs for the library branch to our area. It appears that they almost don't consider us being on this side of I55. Specifically I would like to see book drops & a bookmobile. This would be a better service & more cost effective than the monster library with the monster price that the library service recently tried to pass. Also, in terms to park programs - I would love to just see more open space rather than every little thing built up! And use of space that MAKES SENSE.	8/8/2016 11:06 AM
22	Need a development committee to do something with all this unused land, vacant stores & homes	8/8/2016 10:03 AM
23	There is no longer animal control for nuisance wild life and there is no longer an electronics recycling facility, yet my property taxes went up 13% this year.	8/8/2016 10:02 AM
24	More places to eat on Weber. Panera Bread would be great.	8/8/2016 9:19 AM
25	Health awareness. I would be willing to help put together a community garden with programs to bring awareness to healthier eating/lifestyle. Jackie Clisham	8/8/2016 8:43 AM

5	I think to make housing affordable, many townhomes and rowhomes were built. Sometimes affordability attracts lower income/those who dont have house maintenance and lawn care as a priority. Decreases the look of a nice neighborhood.	8/15/2016 11:14 AM
6	First four homes on Rockledge Drive at west end need to clean up their properties	8/12/2016 6:13 PM

9	Religious complexes in residential area	8/8/2016 9:17 PM
10	Less warehousing.	8/8/2016 8:10 PM
11	Not so much a type of residential option, but there is an abundance of HOA's. There are pros & cons to this set-up. Very inconsistent management of properties that isn't really helping with property values. Also, I am very concerned about the unincorporated properties that are surrounded by residences & use of this property being something positive for the community. These disjointed sections make it unsafe with sidewalks & bike paths not being able to be completed in the areas which is unsafe. Many, many issues with this property use & I would find it beneficial for Romeoville to care more about these areas!	8/8/2016 11:11 AM
12	There are no crosswalks on Weber Rd to encourage people to walk to eating establishments and shopping. I have seen many children and adults on bikes attempt to cross and almost be hit by traffic. Also I live in the Creekside Subdivision and have asked the city many times to stripe the pavement entrance and have been given the run around. It is extremely confusing to new residents when they attempt to cross with the light to shopping areas.	8/8/2016 10:48 AM
13	No more HOA's in Wesglen they are useless & intrusive	8/8/2016 10:06 AM

17	More higher priced homes. Romeoville has gone too cheap.	8/6/2016 5:02 PM
18	Single family homes on larger, more spaced out lots. The houses are way too close together. Also, the village is being taken over by warehouses. It is becoming a large industrial park. Learn from Elwood and halt construction while you can. Otherwise, prepare for intense semi traffic causing road destruction, fatal accidents, major traffic congestion, terrible air quality, property value drops, and overall residents fleeing asap.	8/6/2016 2:01 PM
19	I live in Grand Haven and the association and grounds are very well taken care of. The area next to us is poorly maintained. I have nothing against duplexes, townhomes, or multi family buildings. However, they should be maintained at a better level than what I see currently.	8/6/2016 1:42 PM
20	No opinion. I have no plans to move from Carillon.	8/5/2016 1:20 PM
21	We need more McMansions to bring more overall money into the area. We need the median income to go up... 60k-65k is way too low should try to get closer to Plainfields which has family median income over 100k. These higher earners want large expensive homes...and train access downtown. We need the new station up and running and more high end home builders. It will increase residential tax revenue for schools and all the community extras and new projects. The growth of industrial parks is awesome... but we need to diversify the taxes with high income households that will want these new community parks and recreational items. We can't be a town of just warehouses...	8/2/2016 9:54 AM

1	will be very convenient to make entering I-55 wider (I mean making easier the entrance to it on both sides of the actual bridge) for the access routes are too narrow and don't provide enough room for the volume of traffic in that area, creating constant enormous traffic jams at all times of the day during all week..	9/8/2016 2:48 PM
2	With regards to the last 2 questions - access to Pace - I don't use Pace in the neighborhood, but I have no idea even as to where the stops/pick up points are or the routes!	9/6/2016 4:29 PM

3	We live in Weslake and my kids go to Creekside elementary and there is no connection of the bike path or sidewalks from our neighborhood. It would cut down on a lot of traffic and provide an environmentally friendly way to get to school and encourage a healthier lifestyle for many families in our neighborhood.	8/30/2016 9:36 AM
4	Metra has been planned for years and haven't seen any progression.	8/28/2016 12:30 PM
5	I don't use public transportation and am now aware of these availabilities at this time.	8/28/2016 9:23 AM
6	The new sidewalk entries onto roads specifically around Montrose and Belmont are very dangerous where the corners stick up. Bikes and wheelchairs are going to catch on those high corners and people are going to get hurt. Very bad design.	8/27/2016 12:41 PM
7	for the metra train station that will be opening needs better parking and more trains to stop for riders to use	8/27/2016 8:03 AM
8	More bike lanes and sidewalks needed	8/26/2016 11:24 AM
9	Park and Ride on South side of town.	8/25/2016 8:26 PM
10	Getting too many trucks that are clogging up the main highways, Rt 53 should be stop light only access, cut off little roads & clogging up side streets Airport/Taylor	8/22/2016 3:32 PM
11	I do not drive, so I have ask for a ride to & from the places I need to get too. Romeoville shuttle is to expensive for me.	8/18/2016 10:25 AM
12	Need a way to SAFELY cross Weber Road at 135th. The traffic light is meaningless to drivers. An overpass or underpass is needed.	8/17/2016 3:58 PM
13	Is metra coming, when, and will schedule expand?	8/16/2016 6:27 AM
14	would like to see more bus stops, and pedestrians stop ligths on the Weber and Taylor intersection	8/13/2016 11:24 AM
15	The city bike paths seem to be very chopped up, with only bits and pieces complete. Instead of doing little bits of several paths, complete a path before moving on to the next one.	8/12/2016 8:16 PM
16	The planned Romeoville Metra station is insufficient to meet commuter needs. Being in Romeoville is nice, but it will be in Zone F, which is more expensive. A short 10 minute drive to Lemont will save money and be less incentive to use the Romeoville station. Also, the bigger issue is the Heritage Corridor doesn't run enough trains during the day for commuters who would like to start their day later or come home earlier or later.	8/12/2016 1:41 PM
17	Would like to see a sidewalk down Weber road.	8/11/2016 3:58 PM
18	The intersections of Weber and Taylor is dangerous. Right turn lanes are needed as well as a no left turn on red from weber on to Taylor, especially with all of the truck traffic. Same for Normantown and Weber.	8/10/2016 9:55 PM
19	We live in weslake and my husband park and rides to get downtown the only one close is white fence farm or a diner in Plainfield which is 20 mins away. There should be one closer.	8/10/2016 5:56 AM
20	Cars parking across sidewalk and normt receiving violation ticket!	8/9/2016 6:32 PM
21	No way to get to pace park or metra	8/9/2016 2:56 PM
22	Need work to begin on Weber and I55 like yesterday. Need clover leaf with no stop signs or lights.	8/9/2016 10:42 AM
23	I hate that I always have to avoid Normantown and Weber area. Im sure I am not the first to say this.	8/8/2016 8:14 PM
24	All roads should have sidewalk at least on one side to encourage more safe pedestrian use and exercise.	8/8/2016 3:55 PM
25	The bike paths & sidewalks are disjointed. There are unincorporated properties that are set in the middle so they don't go through all the way. It is a safety issue.	8/8/2016 11:17 AM
26	Entrance to Creekside...no striping...very confusing to new drivers to the area	8/8/2016 10:54 AM
27	Need improvement in transportation if you are going to grow that needs to be part of the plan. The land behind my house that backs up to Weber was to have been a park with fields & that never happened but we get more factories & warehouses.	8/8/2016 10:09 AM
28	Get the trucks off I-55 and Weber. Put in a new route for trucks to I-55. This is a major safety concern for ambulances and increases time to a hospital.	8/6/2016 5:06 PM
29	Increased semi traffic with new warehouses going up.	8/6/2016 2:03 PM
30	I don't understand why there are 3 services providing what seems to be similar services: Romeoville Park District dial-a-ride', Lockport Township dial-a-ride, and Pace dial-a-ride. It seems to be that if the 3 worked together, or, as one group, there would be less cost to the taxpayer.	8/6/2016 1:48 PM
31	The metra station has supposedly been in the works for over a decade. Year after year, there's some excuse as to why it doesn't happen.	8/6/2016 12:49 PM

32	too many semis on Normantown road make me sit forever at NT and weber to make right turn. It should not take 20 minutes to make a right turn to get on 55!	8/6/2016 6:48 AM
33	I have not used any public transportation in this area. I don't know of any Metra stations in Romeoville. My concern is the lighting is very intense and releases a lot of light into the sky. There might want to be some thought on using lights that do not spread so much.	8/5/2016 8:13 PM
34	Very dangerous to walk anywhere down Weber Road. People and bikes have to go on the busy street. Why no sidewalks? (referring to south of I-55)	8/5/2016 7:46 PM
35	Real problem with traffic at Weber and Grand Haven Road. Too many cars coming and going. Big accidents pending	8/5/2016 7:32 PM
36	There's a planned Metra Station??? That would be nice.	8/5/2016 6:44 PM
37	Need more bike paths to be friendly to millennials!	8/5/2016 6:32 PM
38	I suggested Pace so I had no idea this was already established. I knew nothing about the planned Metra station. so somehow I need to get more information. Maybe a newsletter placed inside the water bill might help those of us not living in Romeoville.	8/5/2016 1:24 PM
39	Adequacy of parking for planned Metra station	8/5/2016 12:09 PM
40	We need sidewalks in Romeoville that connect. We need sidewalks near the new Uptown Square so families can walk to these businesses.	7/28/2016 4:37 PM
41	no pace bus service on Weber or west of Weber	7/27/2016 10:25 PM

14	Weber road is very congested at 55! Needs improvement, possibly another lane or community transportation system or something. Look into Arizona State university's (Tempe campus) transportation system they out in for the community.	8/9/2016 10:33 PM
15	weber rd congestion	8/9/2016 3:05 PM
16	Alternatives to people biking/walking on Weber road, especially from Romeo road north. Bottleneck at Weber and I-55 - sometimes turning trucks block the intersection and that adds to the build up of traffic at the Normantown road light.	8/9/2016 11:24 AM

18	Walk/bike path, montrose to 135th st along rt 53.	8/8/2016 8:14 PM
19	Development and traffic on budler rd	8/8/2016 7:44 PM
20	#1 is the effect of new building on traffic. 2 specific things come to mind. 1 - building with mosque property at Budler & Weslake Pkwy would be a traffic nightmare! This is not an appropriate location to service any business with that much traffic. Would really affect quality of life in the area & traffic. Is an example of the problem unincorporated properties create in the area. #2 - though I see the need to expand the weber interchange I do NOT see the need for an additional interchange on Weber or Airport for I55. I know the village is pushing for this but I think it is going to very negatively affect quality of life & is not necessarily needed. Let weber finish first & then it be reevaluated if there is a valid need.	8/8/2016 11:17 AM
21	Something really needs to be done about cut-through traffic in Creekside...people drive way to fast and do not observe stop signs...there are children here!! There are no places in Romeoville where children can ride their bikes safely...especially on Weber Rd	8/8/2016 10:54 AM
22	Population increasing but lanes of traffic remain same. Roads are becoming too congested.	8/8/2016 10:53 AM

26	Metra Station promised years ago. I went back to work downtown based on this promise.	8/8/2016 8:47 AM
27	Weber Road traffic	8/7/2016 7:30 PM
28	You keep buiding and adding more commercial and industrial product to the village, but are never adding any infrastructure for the growth in traffic. The growth over the last 15 years has caused the traffic problem to grow year after year, and all these semi-trailer trucks being added to the existing traffic and congestion on Weber Road and I55 is just plain stupidity. These Semi-Trailer drivers do not yield, someone will get killed by one any day now. And the traffic congestion is unacceptable for the taxes being paid by everyone living within this area. You just keep approving and building more and more of these types of businesses here, and no roads for the traffic to disperse on. For people that live within the Weber Road and I55 corridor area, it is miserable. And I, as well as neighbors, are considering getting OUT because it is so miserable and because someone will get killed here soon by these truck drivers that don't have regard for the other traffic on the road. You only want to approve more businesses to bring in more taxes and revenue to pay for your huge Municipal Complex that was built an unnecessary.	8/7/2016 4:47 PM
29	NEED Airport Rd/I-55 Interchange!	8/6/2016 8:10 PM
30	congestion on Weber at 55	8/6/2016 7:52 PM

32	I live by Normantow and 55. In the am the traffics so bad with people blocking the road and blowing the lights I'm almost in an accident nearly everyday coming to and from working. In the am the turn arrow is to short going south. I can be the first car at the light and still have to sit for three lights because of people runnings the lights on Weber and blocking the road. On the way home everyone turns left off of Weber ahead of the traffic turning right on to Normantown who have the right of way.	8/6/2016 2:33 PM

5	Please consider better routes to highways to alleviate weber, add rt turn lanes to busy roads such as Weber and Taylor, Weber and frontage/normantown heading south over bridge, and add Meijer as planned	8/28/2016 12:37 PM
6	I have watched Romeoville grow, and I feel the community leaders are doing a good job.	8/28/2016 9:30 AM
7	The new sidewalk entries onto roads specifically around Montrose and Belmont are very dangerous where the corners stick up. Bikes and wheelchairs are going to catch on those high corners and people are going to get hurt. Very bad design.	8/27/2016 12:43 PM
8	It would be ideal to attract Millennials to town by increasing the metra options into Chicago.	8/25/2016 2:12 PM
9	I tried to submit the previous comments for item #15, but the survey didn't seem to like my comments in that section: How 'selfishly corporate' of Jewel's parent company to hold the lease on the Dominick's site because they are afraid of a little competition! It's become an eyesore and poor first impression for visitors to Romeoville via Weber. People have been clamoring for a Mariano's or Trader Joe's - I realize they may not even be interested, and if so, some question the need for any more grocery/food options. I've also heard the rumor about a theater complex; I'm open to that as I have no other ideas. At this point I think we have enough gaming/gambling establishments. I'd like to see a Panera or Great American Bagel in town; plenty of room in one of the adjacent Dominick's spaces or in the new buildings further south on Weber I don't believe we have any quality/fine dining options in Romeoville - plenty of casual eating establishments (Chili's, Mongo's, Stone City . . . but that's about it). Look at the popularity of the restaurants on N Weber in Bolingbrook (Olive Garden, the Patio, Red Lobster); they all offer more than burgers and finger food, are reasonably priced, and a proven name. For me personally, other than a really good, old fashioned bakery, I can't think of a specific store in Romeoville that does not already fulfill my shopping needs.	8/22/2016 6:54 PM

11	Your school district is KILLING your community. We are moving because of it. IT SUCKS!	8/21/2016 8:58 PM
12	There are way too many giant warehouses being built in industrial parks. They are empty, and they are destroying the natural areas that made many people move here. Our roads cannot handle the increase in truck traffic. I fear that Romeoville is becoming too crowded with industrial business and not family friendly. More parks, outdoor areas, and natural spaces will keep our town beautiful.	8/21/2016 2:29 PM
13	stop developing leave open land we look like any other cheap suburb	8/21/2016 10:08 AM
14	This is just a suggestion, but I would like to know if it would be possible for the Village of Romeoville to source their water from Lake Michigan instead of wells. If not, at least soften the water more than it is, currently. I live in unincorporated Plainfield and receive water from Romeoville. Thanks for your consideration and time!	8/20/2016 3:59 PM

18	You need to do something with the honeytree townhomes, more development into that area. Speak to the homeowners and not the board, the board doesn't have the welfare of the homeowners. I want to receive grants that will help me keep my home modern- currently, everything is left up tot he homeowner. No help with landscaping. The trees that are planted there are too huge and I need the tree cut. Also, the trees on the street sidewalk behind my townhome needs to be removed. Those leaves come in my yard and it's my responsibility. Just cut the tree and remove it. Also, the other properties received new fencing across the street- no money was put into honeytree. As a taxpayer, I am not understanding why the honeytree townhome population is under served by Romeoville. Stop talking to the home owner association and talk to the homeowners.	8/19/2016 12:46 PM
19	I live in Plainfield, but receive my water from Romeoville. Since I pay Romeoville for this service, I thought I could use some of the park offerings as a resident. I was told that I am considered a non-resident and would have to pay higher fees. Very unfriendly of a town with which I thought I was affiliated.	8/18/2016 2:28 PM
20	Why isn't there a tree planting program?	8/18/2016 12:59 PM
21	I would like to see some of the open space preserved for our deer and other animals to pass through.	8/17/2016 8:20 AM
22	romeoville needs to not allow boats or campers or work trucks parked in driveways makes neighborhoods look shoddy also homeowner assoc should enforce rules or the village	8/16/2016 11:22 AM
23	It would be nice to maybe have the Coal Plant area become a nature center, or something like it. Some place where families can interact with nature and feel safe in that area.	8/15/2016 11:22 AM
24	I think internal transportation is the biggest problem.	8/14/2016 7:02 PM

26	lower taxes	8/11/2016 8:29 PM
27	Improved timing of the traffic signals on Weber throughout the village. Left turn only on left arrow for arterial east-west routes throughout the village. If "stacking" is a concern, look at Taylor Rd at Weber. Seldom can more than 2 semi's make the green light from Taylor Rd to Weber Rd. Take Rt 53 and Taylor as an example. Timing is much more accomodating to truck traffic.	8/11/2016 3:23 PM
28	Have our water bill be able to be paid with an automatic payment on a credit card.	8/10/2016 1:52 PM
29	I would like to dissolve VVSD and allow Romeoville and Bolingbrook to have their own school districts	8/10/2016 10:47 AM
30	You've got a long way to go to catch up with neighboring communities. The community leaders need to lift their sights above more truck depots and apartment complexes.	8/10/2016 7:13 AM
31	The mosque being built on budler. This is not a proper location for the mosque to be built it is going to cause nothing but problems with traffic and other things. This should not be a place for it to be built there is not enough parking and I don't want to deal with it. This is why we moved here because it's quite and beautiful I don't want that to be ruined because if it gets built we will be moving	8/10/2016 6:05 AM
32	Loved this survey and that the city is getting feedback can't wait to see how the area grows	8/9/2016 11:07 PM

45	reduce property taxes	8/7/2016 8:12 PM
46	We do not currently live in Romeoville, but own a rental property there, and are building a home in Romeoville which will be our primary residence. Plan to occupy by late Fall 2016.	8/7/2016 6:29 PM
47	The transportation infrastructure needs to be improved before any other industrial traffic should be added. People seated on the Village Board must not live within the area and have to deal with the traffic on a daily basis. And if they do, I pray they are replaced in the next election with practical and intelligent people.	8/7/2016 4:52 PM
48	No more warehouses; truck drivers ignore rules of the road, slow down traffic; there are too many of them.	8/6/2016 11:30 PM
49	Thanks for asking	8/6/2016 6:02 PM
50	Where can I get updated info on the I-55 and Weber road project?	8/6/2016 5:12 PM
51	Too many storage facilities.	8/6/2016 3:18 PM
52	The speed limit on 135th street between weber and Belmont needs to be increased from 25mph to 35mph. I can see it being 20mph during school day start/end, but a permanent 25mph limit builds up traffic and is honestly just a large speed trap.	8/6/2016 3:10 PM
53	Property values increase when the quality of our schools are excellent. I have looked at the stats and Romeoville fails miserably. And please no more warehouses, we have plenty, some look vacant. Truck traffic is getting out of control.	8/6/2016 2:04 PM
54	Start a project, whereby the blank walls of the distribution centers have murals painted on them--e.g.--showcasing the history of the area. Plant the many retention/detention areas with prairie grasses and plants. Attract wild like and make the areas more attractive. The murals and grass,prairie planted detention centers could be liked with bike/walking paths. This would make the distribution centers a bit "multi use".	8/6/2016 2:00 PM
55	Stop giving out these ridiculous tax incentives to companies. It is frustrating to see millions of dollars given to Blain's, Toyota, and all these other companies.	8/6/2016 12:52 PM
56	In the Uptown area why are there not more parks or playgrounds . This area of the village has been ignored way too long . Why is the Edwards Center not used as a Rec Center for the residents during the week ?	8/6/2016 12:37 PM
57	I live by the undeveloped land owned by the cemetary or city. This undeveloped land needs more trimming. It has seeded my terrace with weeds. I can't afford to have a service to take care of this. I am too old to do it myself.	8/6/2016 12:29 PM
58	My compliments to the Major. He's doing a good job.	8/6/2016 12:09 PM
59	Stop building Warehouses. I hate living in an industrial park!!!!	8/6/2016 10:54 AM
60	We have TOO many warehouses, TOO many McDonald's, and TOO many gas stations....let's find something new please!	8/6/2016 10:30 AM

62	Get the TRUCK traffic and NOISE from them(at the loading/unloading sites) under control!!!	8/6/2016 9:12 AM
63	Not sure this is the forum, but stop automatically enrolling people in aggregate programs for electricity/utilities. If people want to change, they should have the burden to make the change. Everyone should not be automatically enrolled, and then those that do not want to participate or forced to jump through redtape, etc. to un-enroll in something they were forced into.	8/6/2016 7:23 AM
64	Daughter just graduated college and could not leave Romeoville fast enough -	8/6/2016 7:03 AM
65	We should stop spending so much tax money on schools. Property taxes are WAY too high for this area. Valley view school district is not a good school district compared to say Plainfield and housing in that area has less property taxes going to schools (with better schools). When taxes go up up up, people start to move (I have several friends that have left or in the process to move and I may be next...)	8/5/2016 8:45 PM
66	Want to see house values go up	8/5/2016 6:45 PM
